

Solutions for the Cement-Steel Sector

The project comprised placement of a 55 ton cold box at a height of 25 meters from the ground, at a radius of 22 meters with a boom length of approximately 63 meters. The movement and placement of the crane in a running plant was a challenge due to shortage of space, which was overcome with minor dismantling and skills of the operating crew.

Sector	Cement-Steel
Crane	Demag AC 1600 Telescopic Crane
Crane Capacity	650 Ton
Weight	55 Ton
Size	3 Mtr. X 3 Mtr. X 25 Mtr.
Location	Durgapur, West Bengal
