At The Core Of Our Operations

Our Vision

Ingenuity in motion to serve stakeholders for market leadership, by far.

Our Mission

Always be customer-centric and proactive. Create digitally-enabled, well-governed, logistics magic, worldwide.

Our Values

Entrepreneurship with a Purpose

Practice the owner's mindset, as the organisation is the collective soul of its employees. Be unwilling to accept 'it cannot be done' as an answer. Take initiative to push limits. Use resources consciously, chase goals aggressively, be frugal and pursue passion for business excellence.

Customer Centricity

Recognize that our customers are the reason for our existence. Be obsessive about delighting customers and all stakeholders. As our Vision and Mission suggest, go to infinite ends to deliver the best customer experiences.

Innovation and Execution

Constantly strive to challenge conventional views and drive innovation with new ideas, a futuristic outlook and perspectives from the youth. Maximise impact by delivering world-class solutions leveraging IT, digital platforms and newer technologies. Be agile, flexible and lead the disruption.

Collaboration

Build a highly capable and committed team to build growing businesses which deliver highest value by fostering a meaningful relationship with all stakeholders by practicing highest standards of business ethics, humility and governance.

Care for Environment and Society

Always aim to minimise the impact on environment, supporting scientific research that reflects environmental and sustainability concerns. Build a culture of empathy within the companies towards colleagues as well as underprivileged individuals around us. Be responsible corporate citizens and contribute to a better society, country and world at large.

The purpose of our business is to dedicatedly serve to ensure stakeholder delight and influence the environment and society at large with our good work, as we abide by our values that form the cornerstone of our business strategies, decisions and activities. We are committed to this roadmap as we seek to grow sustainably and deliver logistics solutions with excellence, again and again, with a lot more rigor and enthusiasm as the days pass."

Shashi Kiran Shetty,
Chairman - Allcargo Group

Ingenuity In Motion To Deliver Global End-to-end Logistics Solutions.

- Close connectivity to industrial hubs, transport routes and consumption centres offering significant locational advantage.
- Facilities built to international safety and engineering standards, incorporating sustainable construction for resource optimization.
- Fully and semi-automated warehousing solutions
- Flexibility of dedicated and shared user solutions for warehousing and transportation as per your requirements.

Contract Logistics Solutions

that Simplify your Supply Chain

- **69 strategically located warehousing facilities across India** that meet international standards.
- **Scalable and flexible** supply chain solutions designed by professionals who understand your business.
- **Expertise** in last-mile deliveries, bonded and general warehousing, mother warehouse management for OEMs and dealers, domestic and international transportation.
- **Digital tools** and optimized operations deliver a tangible boost in your productivity and a reduction in TAT.
- **Experience industry sectors** – Chemicals, Spare Parts, Pharmaceuticals, Food, Fashion, Retail and e-commerce.
- Chemical warehousing facilities pan-India.
- Adhering to **global safety standards**.
- Complete adherence to temperature-control requirements, safety regulations
- **Hazardous product storage** in accordance to the Globally Harmonized System (GHS) hazard class.

Marquee Customers Across Industries

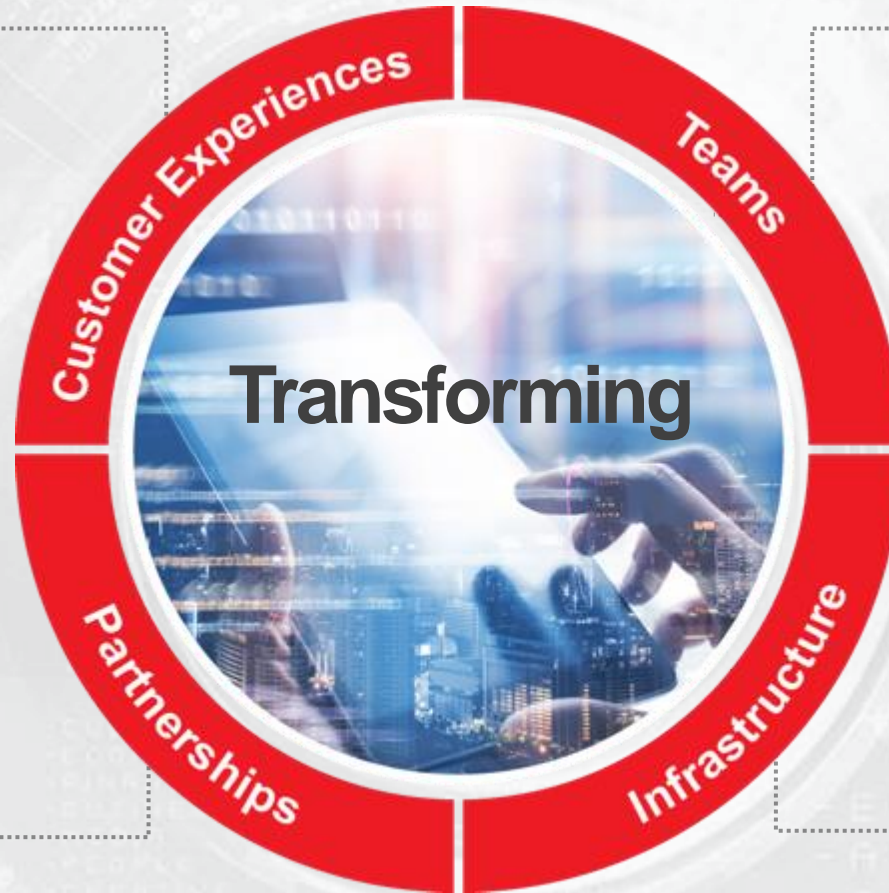

Future-ready Operations Driven by Robust Digital Transformation

Four Pillars of Digital Transformation

- ECU360 to help customers conduct business 24x7 at their convenience and ship with just a click
- Customer service and assistance accessible across digital presences like website, apps, WhatsApp chatbot, customer portal, social media, etc.
- White-label technology products along with API/EDI integration that cascade digitalization and its benefits to SMEs, freight forwarders and key accounts
- Online training for vendors and partners to enhance skills

- Enterprise-wide connected digital systems and tools like CRM, Business Intelligence frameworks, HR portals, etc. to make internal operations optimal and efficient
- Bolstering teams with safe, secure access to online sites and networks for maintaining productivity even during remote operations
- Setting up tech-enabled facilities, warehouses, Surface Transhipment Centres, etc. with sophisticated Warehouse Management Systems and automation that empowers human capital
- Leveraging technology to reduce energy consumption, minimize environmental impact and adhere to global Environmental, Social and Corporate Governance (ESG) standards

One Integrated Platform for Your Shipping Needs Across the World

ECU360
SHIP WITH A CLICK

Reliable | Scalable | Secure

- Up-to-date schedules with instant 24x7 door-to-door quotes for your LCL shipments
- Online bookings in seconds
- Convenience of door-to-door pricing
- Personalised dashboards with reusable smart templates
- Automated push reports and Business insights
- Enhanced visibility with easy live cargo tracking
- Online submission of shipping instructions
- Combined strengths of ocean freight and road transport
- 360-degree view to the customer – Modern and integrated
- OCR – Improve productivity with faster data capture
- API/EDIs Integration with shipping lines and customers

Our Commitment to Environment, Social, and Corporate Governance

Environmental:

- Committed to reducing our carbon footprint and minimizing environmental impact.
- Our Founder Chairman Mr. Shashi Kiran Shetty is a signatory to the 'Statement of Support' of the Forum Supply Chain & Transport Community to accelerate a zero-emission future. He is also an attendee of the World Economic Forum
- Over 850,000 trees planted to increase the Earth's green cover.
- Electricity generation using wind and solar power to help reduce carbon emissions

Social:

- Inclusive programs in Education, Environment, Health, Women Empowerment, Disaster Relief, and Sports
- We have made a difference to over 360,000 lives to date

Governance:

- We adhere to the highest standards of governance, creating an enabling ecosystem
- Certified ISO 31000 framework for risk management and ISO 27001 for information security

Enabling a Global Culture Of Ownership, Innovation and Collaboration

The Allcargo Advantage

- Reliability in our DNA that delivers peace of mind, every time.
- Expertise across almost all diverse logistics verticals to offer customized, end-to-end solutions for multiple sectors
- A future-ready approach led by innovation, ingenuity and adoption of digital tools and technology
- Unmatched synergies of a global network spanning 180 countries and domestic coverage spanning the whole of India
- Commitment to grow sustainably and deliver excellence with value-driven action and highest levels of corporate governance
